# DESCRIPTIVE OVERVIEW OF THE 2015 RELEASE COHORT

## Executive Summary

At the end of each year, a descriptive overview is prepared of those offenders released during the year. This allows us to monitor any changes in the population and track trends from year to year. Data is used for population management and program development.

Sentenced offenders released to the street will be tracked for three years post release as part of our ongoing recidivism study. Recidivism rates are reported at one and three-year intervals.

There were 5896 total releases from the facilities operated by the Hampden County Sheriff's Department in 2015 (2030 females, 3866 males). This represents an overall increase of 527 (9.8%) from 2014.

A total of 1906 sentenced offenders were released (502 females, 1404 males), a decrease of 249 (11.6%) from 2014. 1763 sentenced offenders (487 females, 1276 males) were *released to the street* via parole or expiration of sentence, a decrease of 52 from the previous year. 107 sentenced offenders were released to other authorities. There were 50 releases from Foundation House (7 women, 43 men) and 2 HOPE parole releases (both men). 165 sentenced offenders (37 women, 128 men) were released back to the jail to address open charges.

A detailed analysis of sentenced offenders released to the street can be found in **Section I**.

There were 3814 pretrial releases (1488 females, 2328 males), an increase of 19% from 2014. 3308 pretrial detainees were *released to the street* via bail, release at court or sentence to time served (1442 females, 1866 males). 483 detainees were released to other authorities and 23 probates purged or paid their debt and were released. One female and one male pretrial detainee died in custody.

A detailed analysis of the pretrial release cohort can be found in **Section II**.

198 individuals (8 females, 190 males) received a sentence to Mass DOC and were transported to MCI Framingham or MCI Cedar Junction. 10 males and 1 female were transferred to a DOC facility for a reason other than a new sentence or VOP. These reasons included commitment to Bridgewater State Hospital, DOC Reentry Program failure or court appearance on existing case.

A detailed analysis of offenders sentenced to DOC can be found in **Section III**.
